

Part 2

Questions 6–10

The people below all want to start a language course.

On the opposite page there are advertisements for eight different language courses.

Decide which course would be the most suitable for the following people.

For questions **6–10**, choose the correct letter (**A–H**) on your answer sheet.

6

Sonia is going to Madrid for a business meeting and wants to practise advanced Spanish conversation. She works full time so she wants an evening class or one she can do at the weekend.

7

Tomas needs to pass his English exam to get into university and he is looking for a four-week full-time course. He isn't interested in social activities but needs accommodation.

8

Corinne, who is Spanish, starts university in the UK in the autumn and wants to improve her English. She is a little worried about attending lectures and has never written long essays in English.

9

Marie and her mother are going to Paris but don't speak French. They want to learn some basic expressions and would like to find out more about the French way of life before they leave.

10

Paolo and his wife Sandra want to take an English course for beginners and they like the idea of a school in the English countryside. They would also like to take part in social activities.

Highbury School Newsletter

Welcome to April's newsletter. There's a lot to tell you this month, starting with the news that Mrs Sinclair has given birth to a beautiful little girl. Mrs Sinclair would like to thank all the people who have sent her cards and wishes. We're looking forward to welcoming her back next term on a shorter, part-time contract.

E-Safety

Our teachers have been busy writing some excellent e-Safety information sheets for parents who are worried about keeping their children safe online. These sheets will give you some practical tips and suggestions to help you make sure your child is using the Internet safely. If you are interested, give your name to the school secretary and we'll contact you as soon as the sheets are available.

After-school clubs

Hopefully, your child has been attending one of our after-school clubs this year. With classes like 'Karate Kids' and 'Tiny Tennis', 'Children's Chess' and 'Kids Art', we've tried to offer something of interest to all our children. We've had several requests from parents whose children have not attended an after-school class for different activities. We'd like to point out that teachers run these clubs in their own time and the activities we offer depend upon their skills and knowledge. However, please keep giving us your suggestions; your ideas are welcome. And if you have any interesting skills and have a few free hours each week, please come in and talk to us.

School meals

We've managed to keep the price of school meals the same for the past two years. Unfortunately, because of the rising cost of ingredients, we'll be forced to charge a little more from next year. If your child has a meal only once or twice a week, the cost will be £2 per meal. For children having meals five days a week, the cost will be £9 per week. If you are unemployed or if you have difficulty paying for meals, please contact the school to see if financial help is available.
